SUSSEX LEO CLUB

HOW CAN YOU CONTRIBUTE?

The Leo Club is open to young men and women from 12 to 18 years of age. The purpose of our club is to serve our community while developing our skills in leadership, commitment, and teamwork.

The Leo Club's mission is to provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national, and international community.

We are a community-based organization sponsored by the Sussex Lions Club. We are not affiliated with any school. When applying for post-secondary institutions and scholarships, this experience is evidence of community involvement.

Our club schedules general and executive board meetings once a month. Social outings are also planned several times a year.

Talk to a Leo today to see how you can make a difference in your community!
